More than a century ago, tucked away in a corner of Peshawar Cantonment, G.M. Whorra ran a small shop supplying silverware to the European army units stationed in India.

In 1978, Whorra Enterprises was launched as a silverware export house catering to the European and American markets, supplying products to clients like Armani, Ralph Lauren, Vera Wang and more.

In 2001, Episode was created to bring design-based silverware to the Indian market. Since then, Episode has been known across the country for their high-quality products and exceptional designs.
